

Wave Life Sciences Announces Closing of Upsized Public Offering of Ordinary Shares and Pre-Funded Warrants and Full Exercise of Underwriters' Option to Purchase Additional Shares

October 1, 2024

CAMBRIDGE, Mass., Oct. 01, 2024 (GLOBE NEWSWIRE) -- Wave Life Sciences Ltd. (Nasdaq: WVE), a clinical-stage biotechnology company focused on unlocking the broad potential of RNA medicines to transform human health, announced today that it closed its previously announced underwritten public offering, and that the underwriters exercised in full their option to purchase an additional 3,750,000 of its ordinary shares at the public offering price of \$8.00 per ordinary share, less underwriting discounts and commissions. After giving effect to the full exercise of the underwriters' option to purchase additional shares, the total number of ordinary shares sold in the offering is 26,875,001 ordinary shares which, along with the sale of pre-funded warrants to purchase 1,875,023 ordinary shares, resulted in aggregate gross proceeds to Wave Life Sciences of approximately \$230 million, before deducting underwriting discounts and commissions and offering expenses.

J.P. Morgan and Leerink Partners acted as joint book-running managers for the offering. Truist Securities and Mizuho acted as book-runners for the offering.

The offering was made only by means of a prospectus and related prospectus supplement forming part of a shelf registration statement that was previously filed with and declared effective by the Securities and Exchange Commission ("SEC"). The final prospectus supplement and accompanying base prospectus relating to the offering were filed with the SEC on September 27, 2024 and are available on the SEC's website located at <http://www.sec.gov>, copies of which may be obtained from J.P.
